STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. REID (for himself and Mr. ENSIGN):

S. 1819. A bill to direct the Secretary of Agriculture to convey certain land to Lander County, Nevada, and the Secretary of the Interior to convey certain land to Eureka County, Nevada, for continued use as cemeteries; to the Committee on Energy and Natural Resources.

Mr. REID. Mr. President, I rise today for myself and Senator ENSIGN to introduce this bill, which will address important public land issues in central Nevada. As you might know, the Federal Government controls over 87 percent of the State of Nevada. Many of our colleagues from other States may not understand the challenge this presents for communities in Nevada. With such large tracts of land controlled by Federal agencies, it can be difficult to acquire land for vital efforts in both the public and private sectors.

This bill will convey two cemeteries in central Nevada from the Federal Government back to the local communities. Kingston is a small town in southern Lander County, and Beowawe is a small community located in Eureka County. The original communities were home to pioneers and immigrants who settled the isolated high desert valleys of the central Great Basin. In the late 1800s, the pioneers established and managed the cemeteries to provide a final resting place for friends and family. Much of the original Kingston Cemetery is on land now managed by the U.S. Forest Service. The Maiden's Grave Cemetery in Beowawe is on land currently managed by the Bureau of Land Management.

Under current law, these agencies must sell the cemeteries back to the communities at fair market value. However, these historic cemeteries were established prior to the designation of the Federal agencies that now manage them. For over 2 years, Lander County has been required to lease

much of the Kingston Cemetery from the Forest Service. The Forest Service recently sold approximately 1 acre to the Town of Kingston, but this conveyance did not allow for the protection of uncharted graves, nor for the implementation of the community's original site plan.

It is wrong that Beowawe and Kingston should have to buy or lease cemeteries from Federal agencies that did not even exist at the time that the cemeteries were established. Our bill simply provides for the conveyance of the Maiden's Grave Cemetery to Eureka County and the balance of the original location of the Kingston Cemetery to Lander County, Nevada.

The conveyances provided by this bill will benefit our Federal land managers as well as our rural communities. The disposal of these small parcels of land for no consideration will benefit the United States because they represent isolated tracts that prove difficult to manage for public use. I sincerely hope that my colleagues recognize the benefit that the conveyances would provide to the local communities and support passage of this legislation.

I ask unanimous consent that the text of the bill be printed in the

There being no objection, the bill was ordered to be printed in the RECORD, as follows:

S. 1819

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "Central Nevada Rural Cemeteries Act".

SEC. 2. CONVEYANCE TO LANDER COUNTY, NEVADA.

(a) FINDINGS.—Congress finds that-

(1) the historical use by settlers and travelers since the late 1800's of the cemetery known as "Kingston Cemetery" in Kingston, Nevada, predates incorporation of the land within the jurisdiction of the Forest Service on which the cemetery is situated;

(2) it is appropriate that that use be continued through local public ownership of the parcel rather than through the permitting process of the Federal agency;

(3) in accordance with Public Law 85-569 (commonly known as the "Townsite Act") (16 U.S.C. 478a), the Forest Service has conveyed to the Town of Kingston 1.25 acres of the land on which historic gravesites have been identified; and

(4) to ensure that all areas that may have unmarked gravesites are included, and to ensure the availability of adequate gravesite space in future years, an additional parcel consisting of approximately 8.75 acres should be conveyed to the county so as to include the total amount of the acreage included in the original permit issued by the Forest Service for the cemetery.

(b) CONVEYANCE ON CONDITION SUBSE-

(b) CONVEYANCE ON CONDITION SUBSE-QUENT.—Subject to valid existing rights and the condition stated in subsection (e), the Secretary of Agriculture, acting through the Chief of the Forest Service (referred to in this section as the "Secretary"), not later than 90 days after the date of enactment of this Act, shall convey to Lander County, Nevada (referred to in this section as the "county"), for no consideration, all right, title, and interest of the United States in

and to the parcel of land described in subsection (c).

(c) DESCRIPTION OF LAND.—The parcel of land referred to in subsection (b) is the parcel of National Forest System land (including any improvements on the land) known as "Kingston Cemetery", consisting of approximately 10 acres and more particularly described as SW1/4SE1/4SE1/4 of section 36, T. 16N., R. 43E., Mount Diablo Meridian.

(d) EASEMENT —At the time of the conveyance under subsection (b), subject to subsection (e)(2), the Secretary shall grant the county an easement allowing access for persons desiring to visit the cemetery and other cemetery purposes over Forest Development Road #20307B, notwithstanding any future closing of the road for other use.

(e) CONDITION ON USE OF LAND.

- (1) IN GENERAL.—The county (including its successors) shall continue the use of the parcel conveyed under subsection (b) as a cemeterv.
- (2) REVERSION.—If the Secretary, after notice to the county and an opportunity for a hearing, makes a finding that the county has used or permitted the use of the parcel for any purpose other than the purpose specified in paragraph (1), and the county fails to discontinue that use-
- (A) title to the parcel shall revert to the Secretary, to be administered by the Secretary; and
- (B) the easement granted to the county under subsection (d) shall be revoked.
- (3) WAIVER.—The Secretary may waive the application of subparagraph (A) or (B) of paragraph (2) if the Secretary determines that a waiver would be in the best interests of the United States.

SEC. 3. CONVEYANCE TO EUREKA COUNTY, NE-VADA.

(a) FINDINGS.—Congress finds that—

(1) the historical use by settlers and travelers since the late 1800's of the cemetery known as "Maiden's Grave Cemetery" Beowawe, Nevada, predates incorporation of the land within the jurisdiction of the Bureau of Land Management on which the cemetery is situated; and

(2) it is appropriate that that use be continued through local public ownership of the parcel rather than through the permitting

process of the Federal agency.

- (b) CONVEYANCE ON CONDITION SUBSE-QUENT.—Subject to valid existing rights and the condition stated in subsection (e), the Secretary of the Interior, acting through the Director of the Bureau of Land Management (referred to in this section as the "Secretary"), not later than 90 days after the date of enactment of this Act, shall convey to Eureka County, Nevada (referred to in this section as the "county"), for no consideration, all right, title, and interest of the United States in and to the parcel of land described in subsection (c).
- (c) DESCRIPTION OF LAND.—The parcel of land referred to in subsection (b) is the parcel of public land (including any improve-ments on the land) known as "Maiden's Grave Cemetery", consisting of approximately 10 acres and more particularly described as S1/2NE1/4SW1/4SW1/4, N1/2SE1/ 4SW1/4SW1/4 of section 10, T.31N., R.49E., Mount Diablo Meridian.
- (d) EASEMENT.—At the time of the conveyance under subsection (b), subject to subsection (e)(2), the Secretary shall grant the county an easement allowing access for persons desiring to visit the cemetery and other cemetery purposes over an appropriate access route consistent with current access.
 - (e) CONDITION ON USE OF LAND.-
- (1) IN GENERAL.—The county (including its successors) shall continue the use of the parcel conveyed under subsection (b) as a cemetery.

- (2) REVERSION.—If the Secretary, after notice to the county and an opportunity for a hearing, makes a finding that the county has used or permitted the use of the parcel for any purpose other than the purpose specified in paragraph (1), and the county fails to discontinue that use-
- (A) title to the parcel shall revert to the Secretary, to be administered by the Secretary; and
- (B) the easement granted to the county under subsection (d) shall be revoked.
- (3) WAIVER.—The Secretary may waive the application of subparagraph (A) or (B) of paragraph (2) if the Secretary determines that a waiver would be in the best interests of the United States.
